Disclosure Chart

Type of Product	Fixed Rate Product
Contract Term	24 Months
Do I have a termination fee or any fees associated with terminating service?	Yes. A $149 early termination fee will apply if you terminate service prior to the expiration of the contract term. This fee will not apply if you move and provide a forwarding address and other evidence that may be requested to verify that you have moved.
Can my price change during the contract period?	Yes, but only for the reasons described below.
If the price can change, how will it change and by how much?	The average price applied in the first billing cycle may be different from the price in this EFL if there are changes in TDSP charges; changes to the Electric Reliability Council of Texas or Texas Regional Entity administrative fees charged to loads; or changes resulting from federal, state or local laws or regulatory actions that impose new or modified fees or costs that are outside our control. However, your NextVolt Energy Charge will remain the same for the contract term above.
What other fees may I be charged?	See Billing and Payment section and Additional Charges & Fees section of the Terms of Service Agreement for the list of non-recurring fees.
Is this a pre-pay or pay in advance product?	No
Does NextVolt Energy purchase excess distributed renewable generation?	No
